Information on the lease of a furnished room / studio at WoVe

You have become aware of WoVe during your search for an apartment or room. We welcome you and would like to inform you about some important rules about our application process:

Application fee

With your application and payment of CHF 70.- you mandate WoVe to procure a room or an apartment for you. As soon as your application fee has been transferred, we'll send you a detailed list with all our current room offers. Your application is valid for one year. During that time you can regularly ask for an updated list via email.

If a procurement is not successful, WoVe refunds CHF 40.-. If you do not react to offers or do not inform WoVe within one year that you no longer require the service of WoVe, no reimbursement will take place.

Rental Contract

In case that WoVe prepares a rental contract for a person that has applied for a room, which is not accomplished, a fee of CHF 100.- comes due. Thereof the application fee is deducted.

We would appreciate it if you do notify us timely, in case you found another living arrangement. This helps us to keep our lists updated and also assists others in finding an accommodation.

Deposit

The deposit must be received on the WoVe account no later than 10 days after receipt of the rental contract. Otherwise we will release your room / apartment for rent again.

Good to know

In principle, doctoral students are also entitled to live at WoVe, but must disclose their employment contract. If the monthly income, including all scholarships, grants and similar, is CHF 2'500.- or more (annual salary CHF 30'000.-), a solidarity surcharge of CHF 50.- must be paid on the monthly rent. Some properties are reserved for Bachelor and Master students.

Please note that you can only apply for our service if you are currently enrolled in a fulltime programme of a public educational institution of north-western Switzerland or entering one within the next three months. If you are unsure about this, we will be happy to check your request.

You can find more information on our website: www.wove.ch.
